Halcyon Yarn Guild Rewards

Welcome!

The Weavers' Guild of Boston has recently become a participating member of Halcyon Yarn's Guild Rewards program. Now, every purchase you make is eligible to earn 5% cash back for your guild.

Here's how it works:

Purchase as you normally would, online, in the shop, or over the phone. Your account is secure and we never sell, rent, or share your information.

When ordering from Halcyon Yarn (which we hope you'll do often!) please identify yourself as a member of your specific guild and we'll match you up in our system.

Important: If you're ordering online please be sure to state your guild affiliation in the comments field when you place your order.

At the end of each calendar year Halcyon Yarn totals up the individual member purchases for your guild and sends the guild a check for 5% of those sales. Guilds can use these funds for whatever purpose they choose, from hosting events, classes, and lectures, to renting space, or adding equipment.

You can find your guild's link and more information on our website here: halcyonyarn.com/guild

It's that easy! We look forward to serving all your fiber art needs, and to helping you help your guild.
